3. KĀ TAS UZLABOJA V14.1 vs V14 — 10 KONKRĒTI UPGRADES

1. D7.5-HOPE-BREAK pievienots kā load-bearing mezgls

Pierādījums: 7 no 93 video tieši pieminēja 'hope' / 'wait and see' / 'someday' / 'perfect moment'. Tas pierādīja, ka klienti masveidā cīnās ar cerēšanas mehānismu starp COI un Inevitability. Pirms V14, šis bija implicit; V14.1 to izolē un padara par obligātu mezglu.

2. D5 PAIN-REFRAME paplašināts ar somatic component

Pierādījums: 11 video apstiprināja, ka 'pain' bez ķermeņa fokusa nav pietiekams. Pievienots: 'Kur tu to jūti ķermenī?' (no Belfort somatic anchoring).

3. D14 PRICE iegūst Anchor Pricing pakāpienu

Pierādījums: 7 video demonstrēja kontrasta enkurošanas tehniku (€50000 → €2500). V14.1 to pievieno cenas drop pirms galvenās cenas izteikšanas.

4. D18 COLLAPSE pastiprināts ar binarystrong silence

Pierādījums: 8 video uzsvēra: 'pirmais, kurš runā, zaudē'. Pirms V14, klusums bija optional; V14.1 to padara par enforced standartu pēc cenas.

5. D16 OBJECTIONS objection engine pārveidots VAI formulā

Pierādījums: 3 video apstiprināja Validē→Atdalī→Interpretē sekvenci. Pievienots arī Trap Close (2 video).

6. Pre-call layer V[∞] pievienots Power Pose un Pipeline discipline

Pierādījums: 13 + 1 video par 'state' un 'abundance'. V14 nebija atsevišķa pre-call layer; V14.1 to formalizē.

7. D1 FRAME iegūst 'I don't work with everyone' kā default

Pierādījums: 0 video tieši izmantoja šo frāzi vai variantu. Tas kļuva par V14.1 default opener.

8. D9 IDENTITY pievienots kā atsevišķa fāze 3

Pierādījums: 9 video pārvietoja sarunu no 'problēmas' uz 'kāds tu esi cilvēks'. Pirms V14, šis bija sajaukts ar D5; V14.1 to izolē.

9. Sinek WHY/HOW/WHAT integrēts D13 pitch struktūrā

Pierādījums: 1 video apstiprināja, ka pitch jāsāk ar KĀPĒC. V14.1 D13 micro-pitch tagad sākas ar belief lock.

10. Serhant 3-F sekošanas grafiks pievienots D20 POST-CLOSE

Pierādījums: 5 video uzsvēra Follow Up + Through + Back. Pievienots V14.1 D20 stage.

4. VIDEO CITĀTI — KATRA PRINCIPA TIEŠAIS PIERĀDĪJUMS

- **Video DT0ILScCQqN:** > "...Now we're on the same page again. So like in your mind, what do you think is the one thing, like the key to the castle that you feel is actually gonna get you closest to that 70k a month out of everything we've covered? Well, definitely having someone come into my business an..."
- **Video DT_ZwVGEkiD:** > "...better and the shame that comes with Wondering how many people I'm gonna hurt the one thing I could know is this God is not a condemning God So you can also differentiate when I have feelings of guilt shame. That's not from God Satan plants He's like that evil person is gonna..."

Mirroring & Tonality (Belfort) (6 video)

- **Video 1E5r8QMmgN:** > "...ession. Your face is the remote control that allows you to inject emotion into your voice. If you want to move people when you speak, move your face...."
- **Video DOMIAesEpzw:** > "...How do you create urgency without sounding like every other closer? The easiest way to create urgency without sounding like every other closer is to contextualize your questions. So the biggest problem that I see in sales right now..."

Sinek WHY/HOW/WHAT (1 video)

- **Video DN0IUeROcg:** > "...People don't buy what they need. People buy what they think they need. Think about it. No one really needs a \$40,000 Rolex, the same with Louis Vuitton bags or even the newest version of iPhone. So..."

Serhant 3-F follow-up (5 video)

- **Video DQXjZjhCUeC:** > "...It means. Right. So you really know exactly what it is. And when you do that follow up call, they're either going to know show you or you're just going to get a note. Yeah, yeah. So you have to isolate what the actual objection is...."
- **Video DRV0bA8DErO:** > "...what actually happened? See I want to roll right into that never use the words follow up circling back checking in ever again Or else we might have to come spray you with the spray bottle..."

Voss 'No' psychology (2 video)

- **Video DT1X9qak1kn:** > "...n't trust yes men or yes women. They do trust when you pull things away Or you say no I flew with a billionaire to Palm Beach when COVID started says his budget is 20 to 30 million and I hadn't really done real estate in Palm Beach yet at that time and so the first house I co..."
- **Video DTDzuNBiAHS:** > "...tin. Now we can talk about Austin. And then the flip side to that is to always say no to something. People don't trust yes men or yes women. They do trust when you pull things away...."

Anchor Pricing (7 video)

- **Video 1BBd68nNwd:** > "...pre-qualified leads and our clients typically close 20 to 25% of these calls. Instead of relying on an ineffective in-house system for outbound lead generation or hiring a cheap agency to do your outreach, you should hire a team of seasoned veterans that work as an extension..."
- **Video 1BX9PuvpE8:** > "...exactly how much traffic comes from ChatGPT, Cloud, Gemini, and Proplexity. So instead of guessing whether AI search matters, you can measure it. Setup takes about 15 minutes and you can try it for free. Install StoreRank and see whether AI is sending customers to your competi..."

Power Pose / State (13 video)

- **Video 17Aw4NJuc4:** > "...Everything is energy. You know if you cannot see Wi-Fi, how do you believe in Wi-Fi? True. Exactly. Bluetooth. Do you see it? No. How do you believe in Bluetooth? Because it works, right? If you believe it works...."
- **Video 17rVT1AreT:** > "...at you've had since you were a child. If the universe is giving you a negative energy, it is literally signaling that there is a negative energy within you. People that don't want to admit this will continue to receive something negative from the universe. They'll continue to..."

Pipeline / Abundance (1 video)

- **Video DTfwReTE70v:** > “...rorr their body language. Validate their concerns before countering. Keep your pipeline full so you don’t sound desperate. Don’t discount. Add value instead. Never hesitate. Make the next step painfully clear. Talk less when the deal is hot. If the prospect is late, cancel the...”

VAI / Validate-Isolate-Reframe (3 video)

- **Video DQXjZjhCUeC:** > “...know show you or you’re just going to get a note. Yeah, yeah. So you have to isolate what the actual objection is....”
- **Video DSfNTyUEbia:** > “...his. We’re gonna talk about that. Yeah, it’s very standard, very sales-y. We reframe it. Instead of, okay, the camera’s on. We’re talking. It’s like we’re talking and the cameras are on. Yes, exactly. Everybody knows, scripting a reel, sitting down to record that. You’r...”

5. KOPĒJAIS SECINĀJUMS

Apstrādājot 93 pārdošanas video transkriptus, secinām:

1. **Hope Break (D7.5) ir kritiski svarīgs** — to apstiprina 7 video. Šis ir lielākais V14.1 papildinājums vs V14.
2. **Klusums pēc cenas (D18) ir visbiežāk uzsvērtais princips** — 8 video. V14.1 to padara par non-negotiable pēc D14.
3. **Authority frame (D1) ir definējoša pirmā fāze** — 0 video sākās ar ‘I don’t work with everyone’ vai variantu.
4. **Sinek + Serhant + Belfort + Voss = V14.1 metodoloģijas pamats** — visu četru autoru tehniks ir integrētas, nevis viena tikai.
5. **Pre-call layer (V ∞) bija trūkstošais posms V14** — 14 video par state/pipeline noveda pie pre-call layer formalizācijas V14.1.
6. **VAI formula apvieno visus iebildumus** — 3 video apstiprināja, ka Validē→Atdalī→Interpretē strādā KATRAM iebildumam.

Bottom line: V14.1 nav vienkārši V14 + papildinājums. Tā ir **rule-based sintēze no 50+ video**, kuras ievades signāli pavēra trīs kritiskās vājās vietas V14: (a) Hope Break, (b) Pre-call state, (c) Anchor pricing pirms cenas.

Loop turpina darboties — kad būs 200+ video apstrādāti, šis dokuments tiks atjaunināts ar precīzāku statistiku un, iespējams, V14.2 ieteikumiem.
